—Two stories from *Broken* won the Joyous Publishing Award (2006).

—*Broken* has been adapted into a screenplay by J. Matthew Nespoli and his New York agent is currently marketing it in Hollywood and to Broadway producers.

—J. Matthew Nespoli was featured in a major front page article in his home town Pennsylvania newspaper about *Broken* in January '10.

Skye is a teenage homeless musician battling a drug addiction who dreams of unattainable rock stardom. She's befriended by Amber, a young mother on the run from two dangerous men from her past. The two girls form a mutually indispensable bond, one that could ultimately save them. Dylan is a pseudo-intellectual-Chuck Palahniuk wannabe, and a total cynic. He lives with TJ, an out of work actor, who fails auditions by day, and wears a hamburger suit outside a burger joint at the mall by night. TJ and Dylan are artistic failures in need of a muse to kick start their careers. *Broken* follows several other interesting individuals (all based on real people), each with their own humorous twisted narrative as they try to put the pieces of their lives back together.
